**European Food Venture Forum
5-6 September 2013**

Brussels, 10 September 2013 – Last 5th and 6th of September, the **European Food Venture Forum** (www.e-unlimited.com/efvf) took place at the iNANO Center in Aarhus, Denmark. The third edition of the European Food Venture Forum (EFVF) has been an exciting platform for people from all corners of the food industry. Over 100 participants have networked and gathered during the two days company presentations, keynote speeches, discussion panels and one-to-one meetings.

Over 30 jury members, consisting of both investors and industry experts, have reviewed the 18 company presentations and have selected 5 award winners.

The award winners qualified to continue along the European Venture contest; a pan-European contest of venture events that gathers the best of each edition to join the European Venture Summit, Europe's largest venture capital match-making event, taking place on 9 and 10 December 2013 in Düsseldorf, Germany.

Below are the names of the award winners of EFVF 2013:

- **Bioflytech [ES]**
Scientific & technical research & development of procedures and products related to the artificial rearing of insects.
- **Codland [IS]**
Processing company which utilises new technology to manufacture fish oil and fish meal from rest raw material .
- **Flatev ag [CH]**
Flatev is revolutionizing the way people prepare fresh tortillas at home.
- **Isosteviol, Aarhus University. Dept. of health and Technology Transfer Office [DK]**
Isosteviol elevates plasma HDL-cholesterol level - a potential new drug for the treatment of coronary heart disease.
- **ToxiMet Ltd. [GB]**
Enhancing food safety from producer to consumer: Food safety analytical instruments.
